

时间过得真快啊！转眼间夏令营就马上要结束了。我们非常怀念这段美好的时光。每天都快乐地学棋，还见到了陈祖德、罗建文、罗洗河、郑宏等这些围棋界的知名人士，并和他们在一起对弈，学到了不少东西。而且我们利用周六、周日游览了古老的天坛、美丽如画的颐和园、北海、世界闻名的天安门、故宫和长城。还吃了美味的烤鸭、老北京炸酱面，看了精彩的杂技。我们还在这里交了很多朋友，还认识了不分昼夜、辛勤照顾我们的老师。我们一定会记住这令人难忘的夏令营生活。

The following are excerpts from a parent's email to Feng Yun

Dear Teacher Feng:

The camp is successful! The outcome from US Open probably is the best testimony. Jasmine signed in as 1 dan in US Open. She was not very sure before the Congress started since this is a big jump from 3k. After the first win, she knew that she's at 1-dan level. In addition, she won the first place in lightning tournament in her group (6 all 1-dan players). The results indicated that she does improve after the training in this camp and is at 1-dan level. Yesterday she played 1-to-3 simultaneous game with a Japanese 9P. The pro comment that she is strong and doing well. Jasmine told me that the experience in Beijing camp makes difference and she had fun. At last day in Beijing, she felt sad and missed players she met in the camp. The supporting staff are working hard.
